the tires are old, or if they were sold that way.. Can anyone suggest a used repair parts website?. The installer offers a free trial of its software. The installation of the software took a couple of hours, but that was mostly spent manually figuring out where to direct the files where they should go. I appreciate your help, and thank you for the advice I got along the

way. I was worried, because the install ran fine, but I wanted to double check that it actually works the way it is supposed to work. I am going to try a faster driver. I use a 128GB SSD in the computer, and it speeds it up a lot. I use Windows 7 64-bit. 6d1f23a050
