Local rehabilitation centres need to identify how their services fit with people's cultural, economic and social values if they are to provide people with the best possible care and support. Local authorities can help by ensuring that they have a clear sense of what is happening in their communities. They can also use this to identify the groups who have specific needs and the resources that people can use to help them. This document contains a map with a brief description of rehabilitation services in each of Wales' six regions. It is intended to provide a tool that can be used by local authorities and the rest of the local health and social care community in identifying and meeting people's needs. This guide provides information on the types of services available in each region, the types of activities that people can participate in, and other useful resources. In this lengthy interview with FashionTV, we get the chance to hear both the likes of Rihanna and her ex-boyfriend Jay Z and his ex-girlfriend Alicia Keys talk about what it's like being in a celebrity-driven lifestyle, and their differences in the music industry. One thing that was emphasized throughout the interview was the nature of their relationships with each other and their ability to maintain strong relationships for such a long time. One of the topics that they discussed was a first date, and they both talk about how they used to take their time and enjoy it. Rihanna explains that on her first date with Jay Z, they would go to dinner at his home and walk around the neighborhood. They both have had a very strong impact on the music industry and are both referenced by each other throughout the interview. Their ability to move on from the past is what seems to make them great friends, but as we know they are competitive and the talk turns towards their musical abilities. Keys talks about how Jay Z is much more skilled at writing lyrics than Rihanna, but Rihanna brags
