The author is Professor of Civil Engineering, of the University of Palermo, Italy. Gheresi Aurelio, Lenza Pietro, Edifici antisismici in cemento armato,. Abstract. Seismic performance of buildings is generally assessed. Edifici Antisismici In Cemento Armato Gheresi - bellissima. Seqpedia. Università di Palermo. semestri 1990-2000. Translated by Prof. Dario Flaccovio from the Italian original. The certificate for making the building prove the seismic performance of the reinforced concrete and structural. NEW YORK (CBSNewYork) — A man doused his cellphone in gas and lit it, and then grabbed another phone and threw it in a woman's face — both at the same time — sparking a major confrontation in Midtown Monday. Video of the incident shows the man pouring the flammable liquid onto his cellphone and then lighting it with a lighter, WCBS 880's Chris Wragge reported. After the flame is lit, the man attacks the female victim, hitting her in the head and throwing her cellphone. From the front of her blond hair to the back of her neck, the woman's entire body is covered in the man's red liquid. She's clearly the one in charge of the attack and doesn't seem to want to stop, CBS2's Jessica Schneider reported. "I was shocked, I couldn't believe it," the victim, who did not wish to be identified, said. "I thought it was a joke at first. I couldn't believe I was being attacked. It's not supposed to be happening in New York. I felt kind of helpless. I just wanted the guy to stop." Minutes after the attack, the man was seen with a second cellphone, which he threw at the woman's face, shattering the
