*European Version: North American Version:*

The Fantasy RPG is a land of contrasts, accessible yet challenging, beautiful yet dangerous. More than just the traditional JRPG formula, this is a unique fantasy RPG, beautiful in its simplicity. We want players to create a beautifully flawed character and guide him/her through the world of Elden Ring and grow as their story unfolds. This program will allow you to create an interesting looking, fully modeled character at a very low level.

**Feet The Mermaid Can't Wash Her Feet** was the first published of the Gina Quick novels set in the Spanish Civil War. It was published in late 1938 (by John Lane) in the United Kingdom and by G. P. Putnam's Sons in the USA in March 1939. It was also published in German, and several of the other novels were published in German as well. Each of the following four novels were published in the following year, the four novels of the sequence during 1939-40: **The Cat Came Back** (1939) **'All For Spain'** (1939) **A Pocket Full of Treasures** (1940) and **Adventure in the Ballroom** (1940). The five novels were published in Spanish and translated into English in 1991 by Pedro J. Ripalda-Giraldo. Plot summary "True love lies in flight and dreams" reads the cover quote to the book. In the first chapter of the book Gina Quick, a young girl with the face of a mermaid, discovers, against her mother's orders, that she has inherited two hundred pounds. Quickly deciding to travel to Spain she sets off from London for Spain with her Rumanian friend Serafin, her best friend Teodora, Teodora's sister Petra, Teodora's grand-father, Ondes, Petra's father, a Spaniard of Galicia, and even Petra's dog. After waiting for her lover for three years, Quick discovers that he is in a French prison. Using the family money, Quick, her friends and her father, sets out on another journey, in a search for her lover across Spain. Legacy The books quickly rose to the status of literary classics and influence the vanguard in Spain, such as Emma Calvé, Pedro Antonio Marín and Luis Buñuel; the stories, specifically those with a Majorca setting, were an inspiration for the wave of European literary boom set off by the Spanish Civil War.
