Product Description An epic fantasy action RPG, Auroborn, the Elder, draws on the unrequited desire of the heroes of history. Though the Dragon Age franchise has been established as a title known for its grand story, Auroborn, the Elder, opens a new chapter in terms of story. To begin with, it starts with the thoughts of a newborn child in the Lands Between. "I just wish I had a childhood." Being actually born at that time is a troubled baby, who is forsaken and left by his family. He is called a 'tarnished' (a powerful being in the fantasy world), and easily persuades himself that he was abandoned to save the outside world from eternal misery. The lonely, miserable son of a fabled fate is sure to be in the middle of a fatal conflict. But the destiny of the human race changes from moment to moment. The elder, to whom he has an obscure relation, awakens from the eternal sleep of the realm of shadow. And the sacred realm (in the fantasy world, 'Elder') begins to change. The elder decides that the fate of humans is to be set free from the dark and gloomy world. After gathering up a group of five, the youths with determination have embarked on an adventure that will change the fate of the human race. The elder decides to open the Elden Ring (ring that can lead only to the Elder). By asking the Elder, you can change the fate of the humans in the dangerous and mysterious Lands Between. You can play the role of the lonely son of a fabled fate, or a powerful elder of a legendary realm, and grow as a character according to your play style. "Auroborn, the Elder, has a very special atmosphere created by its unique story. You will lose yourself in the fantastical adventure that unfolds through the game's various episodes." - videogame magazine "Videogamer" PlayStation, May 2007. - Features - World: A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Hand of Honor is inspired by the ancient legends of Japanese sword-wielding warriors. You'll not only be fighting monsters, but do you really want to go there?

You'll use weapons like dagger and kanabashi, the stunning 'Thunder Axe' to absorb the attacks of your enemies.

You can use long-range attacks like that of a bow or that of the dueling rifle on your enemy. Do you realize that by attacking enemies, you'll provoke them while your body and legs can be hurt from the attacks?

Hand of Honor: Heaven on Earth has a lot of challenges. Do you think you'll have fun on your quest?

We'd love to hear your thoughts on Hand of Honor: Heaven on Earth and let us know what you think, and what you're looking forward to!
