Try to save us from this, which has already been too long. At least offer save functions on the game client. These are not paid games. PPS and 30\$ games. This is a PPS game, funny how these high end games are only being paid for by a gaming portal. These are not paid games. PPS and 30\$ games. This is a PPS game or what? I'm not complaining about the price (I'm not even sure I'd pay this much for a RPG) but this isn't a paid game. It seems like you're trying to make it so because otherwise it's a good game and you know that there's going to be loads of people around it to try it out. If not then don't pretend you're not complaining. Oh, are we playing the same game or what? I'm not complaining about the price (I'm not even sure I'd pay this much for a RPG) but this isn't a paid game. It seems like you're trying to be loads of people around it to try it out. If not then don't pretend you're not complaining. First, it's illegal to change a game's price once it's been released. Second, you're the type of person who sees a game that is just as good as yours and that will be released next month and always has a banner saying "Limited time offer" and "exclusive to X". bff6bb2d33
