There are a variety of skillful effects that can be used and an action bar that will make it easy to use skills as needed. Their

emotions, such as rage, despair, and despair, greatly influence the action, and emotions are tied to stats. The battle system revolves around the concept of “Battles Made with the Elements.” As your character deals damage, they draw energy from the elements of earth, fire, water, wind, and light and use these as a form of offensive power. By using different elements, you can also buff yourself. Through battles made with the elements, the Darkness, the nightmare of the one who has broken the three realms, awakens. + An Online Action-RPG that combines the Immersive Leveling System and
