The Land Between Two Flames is a fantasy action RPG that only focuses on online play. A grand and dramatic world, where you make your own legend. ■ Game Features ◆ Unrivaled World and Multiplayer An unprecedented scale of world, a vast variety of situations, and the appearance of three-dimensional dungeon layouts, all of which is designed to produce the most exciting game experience. Enjoy the exciting world of your creation and at the same time, battle alongside your friends. ◆ Powerful Combination of Action and RPG A game that combines the action of a hack-and-slash game and the role-playing experience of a fantasy game. ◆ Ace Up Your Sleeve with Unique Items and Equipment Equip items and create combinations using items and gear that you want to use. ◆ Enter an Age of Mythic Action In addition to the sword, the arrow, and the spear, you can develop your character to become a strong warrior, a spellcaster, a reliable healer, and more. ◆ The World of Online Play Discover the vast world of two-handed swordplay, multi-player, and the asynchronous online world that links you to the others. ■ New Features for All Players ◆ Player-Player Battles A

new item called a Battle Axe in addition to the existing Battle Armor and Battle Sword has been added. ◆ Daily Dungeon The open world dungeon will become even more varied in the future. ◆ Alliance System Players can participate in Alliance War that takes place not only in the open world, but also in dungeons. ◆ Withdrawal from the Alliance Players can leave the Alliance in battle at any time. ◆ Shared Experience System In order to make sure that everyone can have a good time in the Alliance, we have planned a shared experience system. ■ User Experience ◆ Enjoy Action While Digging for Lessons in RPG Elements Battle action dungeons where the action begins when you enter, and epic quests to explore new lands in which you can enjoy role-playing game elements. ◆ Enjoy Your Online Adventure with Friends Tournaments and progressions for weapons, armor, and other equipment are held throughout the day. ◆ Complete with Intense Player Battles As you complete tasks and battles, you receive rewards that are usable in in-game shops. ◆ The Variety of Equipment

Elden Ring Features Key:

Create your own Character
Battle against other players
Easy, Customizable Movement
Powerful Skills and Unique Abilities
Equally Great Story and Tactical Battles

Manufactured by Archetype, the tactical RPG game known for its intense battles and recently celebrated its 10-year anniversary,

Shadow Heritage is a sixth-person action RPG whose story centers on a returning protagonist, the player character. The protagonist is a mercenary whose fates are woven together with that of the Land Between, the vast ether where other people and creatures live. Through the complicated and uncertain events of the backstories of two other characters—one of whom develops a special connection with the protagonist—the protagonist will embark on a journey that you can experience as a group, where the player's own decisions take effect in multiple ways.

In order to deepen the themes of returning to the place where you are from and returning home, each of the main game's four storylines features a character development that can only be done in-game. There are also additional endings, for which you can freely customize your mission and decide how your story ends. The completion of each storyline forms a single comprehensive narrative that goes beyond each of the endings in a game.

Among the other features,

- The battle action for the sixth-person RPG Shadow Heritage is largely free for most game types. Experience unexpected opportunities as you battle with excellent animation, cool special effects, and more.
- Comprehensive skills, weaponry, magic, and other equipment that players can freely customize.
- Tactical and non-tactical game modes that satisfy various play-styles.
- A wide selection of boss monsters that will not only challenge the player's ability, but also the players of other players!
- An all-new world-class scenario that challenges you to battle.
- A unique item that joins the characters,
- A unique "Feature Game" mode for you to enjoy.
- "Mysterious Illumination" for a mysterious story of the protagonist.

Shadow
