Our Friendly Station is located here, and we welcome all who yearn to travel in search of their destinies. At the Friendly Station you can purchase supplies and amenities, offer your services to others, and, if you are in need of aid, there are representatives who will aid you on the Path. The essence of the Station is to provide a place where travel by foot, horseback, or small boat is safe and comfortable for all of our travelers. Travelers are also welcome to set up camp along the beach; campers must purchase a permit to do so. Throughout The Path of Allies, you may find a series of landmarks that are located on a rambling map. These serve as guideposts to the interesting or surprising locations along your path. Some of these landmarks are: The Heart of the Sun: Charming Sea Haven, where the Heart of the Sun is nurtured and planted into the very earth. Some seedlings from here will eventually grow into a magnificent, towering tree. Pirate's Cove: A treacherous harbor whose waters always invite danger, but few choose to venture there. Take care on the beach. Snail's Mound: Once a prosperous village of homes, this is now a deformed, skull-shaped hill. The Sacred Hills: These hills have an alien, a different sort of sacred. A native of these hills, small people about knee high, with green skin and porcelain white eyes

▶Stara Maze About Stara Maze:

XSEED Games will publish Stara Maze, a myth-shaped, turn-based, tactical RPG developed by Smilegate and is published by XSEED in collaboration with GMG.

Story-Complete Turn-based Tactical RPG - The monster "Star" is devouring the world of Starlinse one by one. The main character is a young girl with a lot of power and strength who was adopted and raised by mages who experienced a dangerous incident last time. The girl was put in the protection of mages themselves, and has learned various powerful magic based on that. The girl also has a power called "Love" that allows her to restore the life of the people and monsters that was reduced to a state of broken pieces. However, this power is weak and short-lived if you use the strength for yourself. By means of a special "Love" mechanism, she is able to control her power on her own.

■The Bride of Star The main character as described above is the main reason of the world of Starlinse, our heroine, Star. Leaving behind the world, alone and sad, she has gone in search of her true love, a person with a pair of large breasts.

What's new in Elden Ring:

The new action RPG for the PlayStation 4 recently released in the Alolas. In the game, a land called Maara between the human world and the Netherworld is split in to three parts. "As the developer of

Tarnished, we wanted to challenge players to a new type of RPG." said the Director of Tarnished Kingdom, Kazushige Nojima. " More than the average fantasy RPG, the basic mechanics of The Lands Between exist in a grand fantasy theme." The game is scheduled to launch on July 28, 2016. The development period of this game lasted about one year, which was the longest. It also took 5 weeks to plan how to spread it over 25 days.
