The beautiful princess Giselle is banished from her magical, musical animated land by an evil queen and finds himself. In 1969, the first full-length cartoon about Giselle was released, with musical accompaniment by Juliet Menuhin and dancer Christine Butou. It was a budget animated film with lots of musical numbers. But his content load was enough for the eyes, and he won the hearts of the audience. In 1991, French director Louise Claudel made two sequels to Giselle, starring Giselle in two new roles: Anna, the fairy queen, and Azel, the anime princess.
