FIFA 18 introduced "trail running" which gives players the ability to run their player at pace, run to receive a pass or even initiate an attack. We're thrilled to be bringing this enhanced gameplay feature to our fans with a new "trail running" tweak to FIFA 22. FIFA 18 also introduced other enhanced gameplay features that we're excited to bring to FIFA 22 and into the future. The new "trail running" tweak is just one example of the variety of enhancements we've made to the game. Something you won't see in FIFA 22 but is in FIFA 18, you will see the FIFA Ultimate Team Master League in FIFA 22. This allows you to earn Ultimate Team items by playing a variety of modes in FIFA Ultimate Team. For the last year we have seen more and more sales on PlayStation 4. In fact, FIFA 17 was the best selling game in 2014 on PlayStation 3, PlayStation 4 and Xbox 360, so it was obvious that we would be investing in FIFA to ensure that we stay at the front of the pack as we move forward. We know that our FIFA fans are PlayStation 4 owners, and we're committed to continue to add features and content to FIFA 17 on PlayStation 4. For FIFA 17, we've been able to share new content in FIFA Ultimate Team and Live Events. You can purchase that content in the game or in FIFA Ultimate Team. With FIFA 17 we introduced a new "Trail Running" feature in the game that gives players the ability to run their player at pace, run to receive a pass or even initiate an attack. We're thrilled to be bringing this enhanced gameplay feature to our fans with a new "Trail Running" tweak to FIFA 22. We have seen the PlayStation 4 version of FIFA 17 hit the top of the list on PlayStation.com for sales. FIFA 18 introduced several new features, including "trail running" which gives players the ability to run their player at pace, run to receive a pass or even initiate an attack. This enhanced gameplay feature was one of the top five most popular upgrades to FIFA 18. So with FIFA 18, we wanted to make sure that those FIFA players who were big on "trail running" in FIFA 17 would still get to experience it. The simulation of player personality and

Fifa 22 Features Key:

- World-class player movements-*Realistic Player Movements* allow for more variety in how players transition from under pressure or against the tackle. The improved animations in the new game engine results in more fluid player movement, more balance in player weight distribution and allows for a more diverse range of movement, allowing players to go into and out of a tackle with ease. For the first time, players have simultaneous animations for footwork and head movement. Players now have simultaneous animations in order to create a realistic, player-by-player and game-by-game evaluation of their potential. Career mode learning curve is now more in-depth, offering players a greater degree of control in choosing their transfer options, what formations they play in, and managing their lifestyle for more control in their on-field development.
- New Attacking Style -*New Attacking Style*. Bigger, quicker and stronger, the attack lines up to play with a new, full-kneed style that gives you more control and makes you faster and more hard-working. An in-depth new tactical setup screen allows you to adapt your tactics to your tactical situation. And you'll now have complete game management of several players on one screen, all while fielding full rotation from your midfield.
- New Tactical Setup Screen - FIFA 22 introduces a full-featured tactical setup screen to manage all players on your team, complete with in-depth analysis of individual and team key game statistics. Highlight your best players, see key player information and ratings, and alter any of your tactics from the tactical setup screen.
- New Player Focus Modes -*New Player Focus Mode*. Choose from one of three action-packed Player Focus Modes that will help you become a better all-round player: Total Control, dedicated to smart and skilled dribbling, set-pieces; Gain The Advantage, for one-on-one quick, focused play; and Varied Opportunities, for movement and action on the game's objectives.
- Pro Player Development -*Pro Player Development*. When you are a professional footballer, your team play every match on an equal level, you are expected to win matches day in and day out, and it's up to you to make an impact in every area of a match. In FIFA 22, the Pro Player Development gives you the ability to define your

Now that the most relevant attributes have been carefully considered by the team of over 100,000 members from all around the globe, FIFA Ultimate Team (FUT) has been revised to embody the spirit of genuine FIFA: achieving success through creative use of the game's innovative new technology and licensed player likenesses. DYNAMIC GRAPHICS Dynamically-rendered replicas bring all the awe of the real thing to life in FIFA, with incredible lighting effects and high definition camera work. The new face-tracking technology gives players real-time skin and eye movement. Players look and act naturally as the game progresses, helping bring the world of football to life like never before. CAMBRIDGE STUDIOS For the first time in a FIFA game, the teams at the iconic Southampton Film Studios have been brought to life. Southampton is the heart of the Premier League and the bustling port of KENT. A fitting location to shoot a game that takes soccer as global as the game itself. HISTORY AND CELEBRITY FIFA 22 introduces history and story elements to the previously static career and simulation modes, placing a greater emphasis on the players themselves. Players' stories and characters will be fleshed out through player biographies and more immersive conversations with the game's new AI systems. FUT FUT (FIFA Ultimate Team) has been revised to embody the game's new iteration. It features fresh new play mechanics, powerful new player attributes, and a significantly improved Matchday experience. FUT also gives you more ways to build your Ultimate Team with cards, coins, packs, and now Player Drafts. Plus, your results in FUT will help create a more authentic profile for you in Career mode. UNLOCKABLES AND MORE In FIFA 22, the unlocking system has been revised and re-balanced to give players a richer sense of progression. New clubs and kits will only be available if you complete the club creation feature, like all other new clubs and kits in other features. New England Revolution kit The Revolution are proud to unveil their new away kit, the latest in a regular rotation of jerseys. All 14 jerseys in the rotation, including this year's away kit, were unveiled together at a press conference this morning. New England took over the Revolution's jersey for the first time in franchise history, but the Black and Red-clad faithful don't need to wait any longer to show their pride
