vehicles, a "police helicopter. While free, this is a single-player-only patch, and does not support online play. It's not a part of the larger GTA IV ~Ethan Fix~ " update. For more information on the future of Grand Theft Auto IV, please visit Rockstar's website. It was released for free on the PlayStation Store on December 14, 2013.... Grand Theft Auto IV (2008) - Grand Theft Auto IV is a video game developed by Rockstar North and Rockstar San Diego, and published by Rockstar Games. It is the fourth title in the Grand Theft Auto series, and was first released in November 2008 for Microsoft Windows and the PlayStation 3 video game console. In the game, players control protagonists Michael De Santa, Franklin Clinton, and Trevor Philips on a quest for revenge. It was the first Grand Theft Auto game to be set in the world of Liberty City, and the first title to feature non-player characters (NPCs) as main characters. The first downloadable content (DLC) for Grand Theft Auto IV was developed by a team at Rockstar North in London and released on July 15, 2009, which provides the latest of the three vehicles, a "police helicopter. While free, this is a single-player-only patch, and does not support online play. It's not a part of the larger GTA IV ~Ethan Fix~ " update. For more information on the future of Grand Theft Auto IV, please visit Rockstar's website. It was released for free on the PlayStation Store on December 14, 2013....
