Sarge? Lucky Sarge? Hardly. You don't need a shot of whiskey to get a job from Sarge. You don't even need a job to get a shot of whiskey from Sarge. Sarge is that good. The first time you meet Sarge is a pivotal moment in your life. In an instant he can make or break you. Sarge is the god of employment. He has a say in almost every decision you make. This makes you, and the game itself, very unlucky. The rules are simple: You can't get fired. Sometimes a man's gotta do what a man's gotta do. Sometimes a man's gotta do what he doesn't wanna do. And sometimes a man's gotta prove he's not as unlucky as he is, and that he does have some semblance of loyalty. Unlucky Man can be played by up to 5 players, ages 10 and up. Resident Evil 7: Biohazard, commonly known simply as Resident Evil 7, is an action-survival horror video game developed and published by Capcom in a partnership with Capcom's Japanese branch, the video game subsidiary of Sony Interactive Entertainment. The game was released worldwide for Microsoft Windows, PlayStation 4 and Xbox One in January 2017. The game follows the story of Ethan Winters, a former Special Tactics and Operations Unit member, who escapes from the Umbrella Corporation during the viral outbreak to seek revenge on their creators. While following a clue left by series creator Shinji Mikami, he finds himself in a mysterious location called the mansion. With no partner and no hope for rescue, Ethan enters the mansion with the intent of finding the truth about Umbrella and what they were doing in the town of Raccoon City. He encounters a series of hideous enemies as he battles his way through the mansion, all the while searching for a way out. It has been eight months since the Raccoon City Police Department came under attack from the Umbrella Corporation, a bioterrorism corporation that was established in the 1960s. The events that follow have altered the police department's organizational structure and division of labor. On April 27, 2002, Umbrella bioterrorists kidnapped and infected the police force with a fast-acting, airborne pathogen that quickly debilitated them. Although they managed to successfully retrieve the Raccoon City Police Department

What's new:

"Songs for a Hero" is a single by British alternative rock band, Depeche Mode. The song was released on 15 July 1984 as the lead single from their fifth studio album, Some Great Reward and was also featured on the soundtrack to the film. In their performance of the song at Live Aid (July 13, 1985) and on subsequent tours, Martin Gore's falsetto has been completely covered by Dave Gahan. "Songs for a Hero" is a synthpop, new wave, and electro song. It incorporates influences from numerous forms of music, including Bollywood dance music, and is first to combine synthpop music and ethnic music. The song was deemed one of the songs to mark the four years of Depeche Mode's presence in the music history, along with their previous two singles "Travel the Roads", and "World of Love".

2. "Shoot

the Sun" "Shoot the Sun" is a song by English glam rock band the Sweet. It is the fourth single from their debut album, Roll Out. It was released on 23 October 1981 and reached number 14 in UK Singles Chart. "Shoot the Sun" is a fast rhythm and blues song that developed a very strong live performance. 3. "Shoot the Sun" "Shoot the Sun" is a song by English band Gorillaz. It is the second single from their fifth studio album, Humanz. The song was released on 17 April 2018. A music video was released on 22 March 2018. "Shoot the Sun" is a fast tempo electro-hop song, with a dubstep breakdown. It was recorded in the Ghost Box Studios in Crouch End, North London, and featured guest vocals by Andre 3000. 4. "Shot of Love" "Shot of Love" is a song by American rapper Tyler, The Creator and American rapper Lil Wayne. It was written by Lil Wayne, Steven "Taz" Taylor and the producers Tyler, The Creator and DJ Green Lantern, while production was helmed by DJ Green Lantern and Bēkon. Lil Wayne has vocal production, while Tyler, The Creator features as a background rapper and has some spoken vocals. It was released by Young Money Entertainment on 17 October 2010, as the fifth official single from Lil Wayne's fourth studio album, Rebirth (2010). The song has been criticised for being sexist and

This game involves the challenge of stopping the ball with the bat. Your weapon of choice is a bat. Blocks are displayed in the form of columns. When the ball reaches a certain spot on the screen, the block will grow towards the bat and start attacking it. Defend your blocks as they come closer. As the columns come closer they start to raise their hands towards the bat. Take control of the bat and your ball. Use your powerups as you need to defend against the attacks. If you cannot defend the block, a hit will occur and a game over screen will be displayed. Try to get higher scores to restore your lost blocks.
