"Naruto M.U.G.E.N. Edition Naruto" is a compilation of all the players into a single game. The game is similar to "Torchlight:II", which is a real time strategy game. Besides this, the game also contains all the awesome features of "M.U.G.E.N edition Naruto", such as:
• Significantly improved graphics, artwork and animation.
• Variety of game modes, including "Story" and "Vs. Mode", the latter of which requires two players to fight against each other.
• Various game modes, including the all-new mode called "Multiplayer Arena" and "Team Battle". The "Multiplayer Arena" mode is a PvP multiplayer battle, allowing the players to test their skills against each other. On the other hand, the "Team Battle" mode is designed for two teams to fight against each other in a series of battles. The purpose of this mode is to test the power of a team and its player.
• Offline single-player mode.
• "Gamestop" mode.
• BGM editor.
• The online mode is still available! Uncompressed the videos that is Japanese, English, German, Spanish, and Portuguese language.
