
Primed To Perform: How To Build The Highest Performing Cultures Through The Science Of Total Motivat

Weymouth High School's education program will enable all students to do their best. We believe and expect all students to achieve their goals. However, we believe that, as in any other field, it is necessary to have a certain structure in order for learning to be more effective. The structure of education at Weymouth High School is generally similar to other forms of education, but nevertheless there are significant differences. The teaching structure at Weymouth High School includes: • Curriculum; • lessons; • homework; • Additional tasks; • schedule; • teaching aids and materials.
