Elrond has been the only one who can see through the person he loves Tarnished. However, Elrond has been badly injured during the events of the game and is unable to properly see the girl he loves. Tarnished's world is referred to as the lands of the living, so-called as it is inhabited by the spirits of the dead. Moreover, when Tarnished's father died, his body was taken and placed in the grave without a proper burial. And so, by the time Tarnished learns that "the dead don't stay in graves, they roam." As the hero, Tarnished fights against monsters known as the "Rudger," a race of powerful enemies that do not differentiate between humans and monsters. [STORY This story takes place in a world where the protagonist lives. It's a world where no one can see the girl Tarnished loves, but a young boy named Elrond lives.
