An e-book is a digital version of a book that you can read on an electronic reading device. Most e-books are in digital format. But this is not the only format. Some e-books also exist in paper form. Read an e-book You can read an e-book on an electronic reading device. Many e-book readers have the ability to change the font of the text, make it bigger or smaller, and have a pagination feature. This makes reading an e-book much more comfortable. Read a book Books and e-books are printed in paper. You can read a paper book on a screen, tablet, smartphone, or computer. How to read a book If you enjoy reading books, then you should know how to read a book. I will explain how to do this below. How to read the book? When you read a book, you can focus on one thing at the time. The words you read will begin at a particular page, and end on a particular page. The reason this is important to know, is so you do not skip some parts of the book. Sometimes when you skip a page, you miss out on parts that are important to know. How to pronounce the book? It is important to remember that e-books are digital, so these books will not have any pages or bookmarks. In case you get confused by the pronunciation of the book, there is a pronouncing guide of the words in the text. You can also hear the pronunciation of the words. Who is the author of the book? The author is the person who has written the words on a page. Sometimes, people will write two different books and make a movie out of it. In that case, the book author will be the person who wrote the words and the movie maker. Who is the publisher of the book? The publisher is the person who has the rights to publish the book.
