The Carroburg Greatswords are one of the most famous regiments in the Empire, with tales of their valour and ruthlessness told from Marienburg To Talabheim. The regiment earned its bloody reputation after the Siege of Carroburg in 1865, where its soldiers successfully defended the walls of their city against the count of Middenland's vast army. Despite the horrific casualties and many wounds they suffered during the battle, the Greatswords fought on resolutely and, by battle's end, their white Reikland uniforms were drenched in blood. From that moment onwards, the Carroburg Greatswords have worn dark red uniforms in remembrance of that bloody battle. New Skins: The Kruber 'Carroburg Livery' skin features the Carroburg Greatswords' Blood Livery crest on the chest armour. Furthermore, the Greatswords' helmets have been replaced with metal helmets with a Carroburg Greatswords crest. New Weapons: The Kruber 'Carroburg Livery' skin

features the new 'Carroburg Greatswords' greatsword. New Armour: The Kruber 'Carroburg Livery' skin features the 'Carroburg Greatswords' chainmail. This new kit looks great on the new Blood Wolf Knight of the Carroburg Greatswords! A number of ways to play are possible. First, we can: 1. Create a simple recipe, such as a crock pot pie or a jumbo banana pudding 2. Use a already prepared recipe, like a fruit crisp, for which you will need a can of fruit 3. Make a cake from scratch, using a cake mix I decided to do the scrap-baking thing, because A. my family tends to eat a lot of cookies and A. I hate baking that much. I prefer the "throw a bunch of ingredients together and bake them" kind. So
