The public is invited to give input at a public hearing, open to the public, on the proposed tax rate increase, held at 5:00 pm on Tuesday, December 2, 2014, at City Hall, 220 West Elm Avenue, Riverside, California. During the hearing, Mr. Gardner and Vice Mayor Smith will recommend adoption of the proposed tax rate increase. A reallocation of funds will be made to the DEAC to provide important services to businesses, homeowners and nonprofit organizations. Businesses, homeowners and nonprofit organizations will see their individual tax rates decreased. The tax rate increase is expected to generate the following: About \$1 million in additional operating revenue About \$3.7 million to create a Downtown Riverside Department of Development About \$4.2 million to repurpose the current Capital Improvements Fund (CIF) into a new Downtown Riverside Strategic Fund (S-Fund) About \$1.1 million to create the Downtown Riverside Property Assessed Clean Energy (PACE) tax program About \$1.2 million to create the Downtown Riverside Economic Assistance Corporation (DEAC) About \$64,860 in tax revenues from less than \$1,000 of residential property. At the public hearing, the discussion will be limited to how the proposed reallocation of funds will improve Downtown Riverside. The DEAC Board has the final authority to approve the reallocation of funds. For more information, contact the DEAC Board, which will discuss the proposed change at its quarterly meeting on December 1, 2014, from 4:00 p.m. to 6:30 p.m., at City Hall, 220 West Elm Avenue, Riverside. Contact information for the DEAC Board is: Carol Parker, 951-345-3935 Occ13bf012
