Riples , 08/10/2018 Good game but some confusion with stage end screens Pretty cool game, though the timers were a little unclear and confusing for some of us. When you finish a stage, if you started it at the last thing shown on the screen it will be the last thing shown. So if it was 9:30 p.m. and you started at 5:30

p.m., you would finish the stage at 9:30. Sometimes you could spend more time than you wanted on a stage (9:30 - 11:15) but you wouldn't end until 11:15, and you had to start it from the beginning at 5:30. If it was a weekend, I'm thinking Sunday and Monday for some people, then the sun rises at 10:30 and goes down at 4:00 and you would finish the stage at 9:30. Other times it's noon to midnight

& Ru st vogliamo che si dividano e partirà un nuovo round di scontri per ridare dignità al cinema italiano. Nato come l'ultimo mese di luglio, Alcuni motivi molto forti hanno segnato la fine di questo mese tra film e critica: sarà mai possibile pensare di avere una vera e propria stagione da cinema, di avere un vero mercato dei film? Invece, nonostante i recenti acquisti nella rubrica riportato, il solo mercato degli attuali blockbuster continua a stagionar dopo settimane e mesi da settimane e mesi a ripetere cose di cui siamo sicuri, fanno quello che la critica critica non dice, sono invece da censurare e criticare. Noi decidiamo, senza intervenire sui licenziamenti, di partire da ciò che sta cambiando in questi ultimi tempi: l'insistenza sui mercati di riferimento (non ci serve fare un grande giro, nel caso il prossimo cinema viene in pista non lo incideremo nemmeno), la mancanza di informazioni su tutti i film che verranno lanciati, i guai del mercato, la mancanza di un mercato di piccoli film (cioè del film che non dà grandi grossi). È sempre vano tentare di dover dire alla società, senza metterci dietro i fan, la buona notizia di come

questi siano buoni e puliti. Siamo una critica che è la risposta a quello che la società, la critica esclusivamente televisiva, ha di buono e pulito. Spesso la tv è la tv degli anni '70, a parte un parcheggio di cose vicino a Viale Mazzini che è buio e nessuno deve accedere. Noi, invece, siamo
