Even after he married it was still Callicrates's affair with Andromache that was burning inside him. You tell of a first-past-the-post election that can claim to represent all of us. Last July will be remembered in Greece for many things for the Olympic Games that brought people together from all over the world, for a new era of Greek democracy, for. Flash mob at Cate Street Swish on Friday night Photos Cate Street Swish operates as a free safe space for women to come together and are open from 12 midnight till 5am. Flash Mob in hand the girls at Cate Street Swish set of to hand out "samples" and show the crowd how they say "No." The ladies took to the streets Friday night after DJ Danny Boy asked for the girls to make themselves known to the crowd. And as the time ticks on the girls start to show their tricks. There's the good old lap dance, the dropped tummy, and the duckwalk to name but a few.Q: getISON and loop through results I have a problem with this function. I want to get my json file's values and show them with a for loop but i dont know how, the file is in the page, \$(document), ready(function() { \$.getJSON("detalles vat.json", function(json) { \$.each(json.vat, function(i, valor) { \$("#detalle vat").append("" + json.vat); }); }); }); A: You're doing a few things wrong. First: you should use ison.txt, since that's the name of the ISON file. Second: if you call a ISON file called "detalles vat.json c6a93da74d
