The game is a side-scrolling action-platformer for iPhone and Android, with 3D graphics and a lot of content. Set in a vibrant world of firework-strewn views and pyrotechnical action, the game - and you - can set the fireworks to "GO", "STOP", "RESTART", "EXPLODE", "GRAB" or "TOUCH". Your goal is to blow up 10 various targets, rescuing them in the process! It's a side-scrolling action-platformer with many levels and items to collect - but the tricky part of this game is that if you're not carefully watching where you jump and aim, you will fail spectacularly! It's also very tricky and takes a lot of finesse! If you die, you will lose all your collected firework components, so you must carefully plan your runs. Full Game Features: • 5 action-packed story levels with a variety of challenges • Play the rhythm game for free with four extra levels and the "GO", "RESTART", "EXPLODE" and "GRAB" sequences • Perfect the game with nine practice levels and more than 30 difficulty levels • Collect tons of firework components • Easy to play and full of fun • Scroll with three different speeds and automatically saving with iCloud ... more Gemini Games was founded in 2004 by Nick and Josh, both with years of gaming experience.
