The 'cracked ribs' song is from the singer's 2012 album, which also contains other wonderful tunes like 'Cracked ribs', 'Most hated song' and 'Rock out in 2014'. I was raised on 92.3 and 93.1 and 92.7 and 91.9, and I remember when I heard this song the first time on 92.3. I thought what the hell it sounded so familiar, and then I heard it on 92.3, and I thought what the hell it sounded so familiar. Funny how your post title includes a number....yet the rest of the post is in regards to the song 'Cracked Ribs' that you posted the lyrics to. That'd be a funny way to start off a thread LOL Welcome to MOD Zoo! My name is MOD (Fiona) and I started this site from my own need. When a car I had been using for a long time gave me problems and I couldn't find an affordable and reliable replacement, I decided to start this website, sharing what I had learned by then! (Posted Feb 14, 2011)Q: SSHFS - What the difference between rbind in shell and SSHFS rbind? What the difference between rbind in shell and SSHFS rbind? After a lot of searches, I can't find what is exactly the difference between these two functions. A: They do the same thing. However, one is specific to the shell and the other is specific to SSH. (I'm not quite certain what that difference is, either.) William Robert Traherne William Robert Traherne (1770 - 8 May 1849) was an English antiquary
