THE BIRTH OF THE ELDEN RING. Four hundred years ago, the kingdom of Estark was besieged by a dark shadow that plunged it into darkness. Men's hearts froze and there was no hope of salvation. After the leading representative of the kingdom, King Tarnag, yielded to the shadow, his son, King Tarnag, was captured and sacrificed to a stranger who took his place on the throne. The other male members of the royal family, Laeldar, Lycoris, and Lyox were killed on sight. Only an inexperienced young princess, Alyssa, escaped. After praying to the goddesses of the light, Alyssa changed her name to Alyssia. She returned to Estark and swore to restore the kingdom's glory. From that day, she began a relentless pursuit to retrieve the power of the ancient legend, known as the Elden Ring.

HEROES. Each of your spells has been distributed as power from the deities. It differs from class to class, but the first class unlocked is Hero. By concentrating on the greatest power in existence, greater knowledge will be awarded.

LEADER OF THE RINGS. After gaining power from the goddesses, you can place the power of the Elden Ring on a Companion's body. This will increase their rate of experience gain, lessen their fatigue, and provide special bonus effects. You can also use it to increase the rate of damage you deal to monsters.

COMPANION. Supporting your Hero or Leader through the game, this is a Companion that will enable your Hero to perform a variety of tasks. You can change Companions whenever you need.

BAG OF GOODIES. Throughout the game, you will collect Bag Of Goodies that have various effects. There are also beneficial items that you can use during battle.

MOVE. This is the ability to use magic that is displayed on the map. In battle, it can be used while viewing the map.

DEATH AND REBIRTH. In the online world, if you die, you will have the chance to resurrect. You can choose to respawn on a different map or a corpse that has a high level.
