"I learned that there are harmful viruses in fruits and vegetables... so I ordered no one to eat the vegetables in the gardens, because they are really expensive," Nayef Abdelsayed, the minister for health's office, was quoted as saying by Al-Watan newspaper. "I do not give them to my children and it would be best for me not to eat them myself," he said.Q: How to insert images into a Word document using Open XML SDK I need to insert images in to a word document.
