## **How To Crack:**

- **Download & Install:**

- 1. Install Wine via AppDB**
- 2. Open another browser tab and download Sierra Game Cache (Sierra Gaming Cache)**
- 3. Open that downloaded file via File Notepad**
- 4. In that file, simply copy the install.exe:  
C:\Users\\AppData\Local\\Sierra\SC1.exe**
- 5. Close that file and then restart the original game cache file**

**Note: all changes to the cache file will need to be saved to overwrite the original. If you would like to install-uninstall using this method, make sure to install the game first and then remove the Sierra Game Cache file.**

- **Click Install & Uninstall Game**
- **I recommend not unpacking the backup cache file since it will extract files to the games directory:  
C:\Users\\AppData\Local\\Sierra\SC1**

**Notice: I didn't use  
"\\AppData\Local\\AppPublisher\SC1.exe"**

**This will install the game and then install-uninstall it!**

**Enjoy!**
