-

The Wild Furies! This is Anna. The charming and beautiful goddess that awakens into magic atop a tree and now wishes to explore this world and its hidden secrets. I, after struggling to find kinder beings, am here to help. I must tell you, however, that there are strict rules for this world. The rules are: to awaken magic, you must be born as a wild. To develop your power, you must live in nature.

The most significant of such rules is however the quest. To pursue it, you must find the likes of books, sorcerers and spirits of old. In order to find them, you must travel the Fields of the Horizon. When you wake up each day, you are surrounded by forests and endless fields. To this day, you have seen only five fields of each sort: the Misty Forest, the Poisoned Field, the Mistrion Field, the Haunted Field, and the Arcane Forest. In order to know what lies ahead, you must work to develop your senses to see the world. And so, you must explore ever deeper fields.
