The cool factor of using torrents to download is that you know..). Be sure to download the torrent of the file that you want.Â . "Agree":8, "Scholars" :10, "Engage":2, "High":4, "Inclusive":8, "Connect":1, "None":0, "Total":14 } These are the three key pillars of GSD: equity, quality and inclusion. A student can be an 'Inclusive' learner on the ground floor, but be 'None' in terms of equity once they graduate. What you can expect here is a lot of work and self-reflective conversations around these three core areas of a GSD. Read on for a deeper insight into these important concepts. Merging the arts and humanities From a continuous evolution of humanisation in education, arts education has recently “merged” with and become an essential part of human and social development. In using the arts as a tool for critical self-awareness, the arts education teacher must ensure that their lessons are “inclusive” so as to encourage the engagement of all students and foster critical thinking and creative self-expression. Increasing collaboration and curating authentic learning Very much like the arts and humanities, collaboration and curating authentic learning are now essential skills for 21st century learners. As teachers, this means that we need to spend a lot of time talking and reflecting together about our practices and engaging in open and honest conversations around what we’re doing, why we’re doing it, and what we can do differently in the future. It also means that we need to be more open to engaging with digital tools such as YouTube, GoogleDocs, wikis and others in order to inform and inspire our students. Teachers need to be adventurous, curious and open to learning at all times. A learner-led approach to learning As with “critical thinking” and “curating authentic learning”, the last pillar of GSD is all about learner empowerment. In a world of massive information and capacity overload, students need to take ownership and control over their own learning. Students can only be successful when they

"Truth is," "I don't think I've ever been a true wife to anyone." "Except for my mom, because she was always good to me, 'cause I think that's what moms do." "You know, they're supposed to be good to their daughters." "But then I married Peter, and it turns out that he was just a little bit of a dick." "You know, he always felt like the superior one." "You know, I was just..." "I was the grown-up, and he was always the kid." "And as much as I love him, I want to be his equal." "I want a marriage that's equal." "So I'm gonna take a step back." "And you're gonna take a step back too." "And in some ways I think that that's good." "But in other ways, it's not." "Because I have to say, I am very, very attracted to you." "I mean, like, very, very, very." "And that's probably what scared me the most." "I mean, I know I'm attracted to men." "That's not a new thing." "But to be so attracted to you, I mean, it just..." "It makes me feel like," "I don't know, maybe this isn't over yet." "And the truth is, I'm sorry, Ellie, that I'm not saying I'll wait," "but I don't want to go through your whole memory and try to find out" "if maybe there was something you didn't tell me that I didn't know." "That maybe you are the type of woman who doesn't ever love the same way again." "Is that cool?" "Yes, it's very cool." "So, what happens now?" "Well, for starters, we can be friends." "And that's kind of an important thing, 'cause it's not like any of
