Likewise, since Europe is known as the garden of the world and it is the place where we see some of the most beautiful works of art it is no wonder that the majority of new inventions found in Europe were inspired by works of art. Its also why we are seeing more of the work of the artist scattered throughout our homes in the form of art works, paintings, sculptures, and the like. One of the latest works of art we see is the “Ruina de Caracol” or the Caracol Shell Ruined Sculpture by artist Pablo Picasso. This amazing piece of art was the result of Pablo Picasso’s art studio when it was accidentally set on fire by a fire ant and burnt down. This amazing piece of art came to be in memory of a fire ant that had once given Picasso a stinging he got and it is expected to be Picasso’s final piece of art.
