Download link (requires activation): Nov 06, 2011 The best game I have ever played. I bought The Settlers IV GOLD EDITION, and I am really enjoying the game. My only complaint about the game was the mouse focus when clicking on objects and menu's. Sep 27, 2014 I went to download "The Settlers III Gold Edition" and it was only there as a "HD Download". I don't have any idea what that means, what the downside is, or what the game really entails. It has no reviews so I don't even know how long it's been out. I had zero information on it. Apr 25, 2018 Ok, I'm going to be totally honest. I downloaded this installer, thinking that it was going to actually work on my computer, but when I clicked to run, it ran perfectly fine. It wouldn't have bothered me if it didn't. I know that there are other free programs you can download to run that would normally do the same thing. But, in this instance, it downloaded to my computer, and that is all I wanted. I did not want to spend money on it. And now I can't get it to run.
