Nearly 150 residents were evacuated from a fast food restaurant Tuesday after being exposed to carbon monoxide and chlorine fumes. KPLC-TV reported that it began receiving calls about an odor at McDonald's at 18941 Sunset Blvd. in West Oak Plaza in Shreveport around 10 a.m. It said the employees called dispatchers and an emergency medical services crew rushed to the restaurant and the 200 people there were evacuated. Shreveport Fire Department Capt. Daryl Cooper said officials were told that no one was injured by the fumes. "There was a bad odor," he said. The restaurant reopened around 2 p.m., and the next day it was temporarily closed.

About the Author There are occasions when you learn that you know very little about someone. This post is one such occasion. This is the story of mine and Erin's friend, Terry. My childhood friend's name is, strangely, Terry. It's a name that you would expect to be adopted into a family, but isn't. Terry grew up in a family of four sons in a small town outside of San Diego. She began an adult life without the benefit of a father, unmarried, and without much in the way of familial support. Long ago, when we were kids, Terry lived an itinerant life. She moved from place to place with different friends and family members, often taking on

### **Elden Ring Features Key:**

**A New and Fresh Fantasy Action RPG** Elden Ring is a fresh fantasy action RPG in which players become an adventurer and experience the power of magic.

**An Epic Resonating Drama About the World** Elden Ring is a fantasy story where the various thoughts of the characters intersect.

**A Multitude of Characters and Non-player Characters** A multitude of characters from more than 100 heroic archetypes that the player will encounter are included. There are also a number of non-player characters who appear every time the player performs various actions.

**A Vast World with Lots to Do** The game opens with the Lands Between, which are divided into three regions: The Grave, the Forest and the Town. There are also numerous hints for further exploration in other regions.

**A Gameplay Experience that Matters** The settings of the game, such as the game system, have all been revised and enhanced to ensure players are immersed in the game experience.

**A Dynamic Online Battle Performance** A new and refreshing online battle system is implemented to ensure that the online battle and opposition in the game not only has a turn-based battle system but also implements real-time play.

**System Simultaneous Network Play** In addition, in the game, two player characters are in a room playing simultaneously, or two players are at the same time playing online.

**Endless Battle with a Limited Partner** An endless battle option is provided where you can fight against the CPU controlled opponent who has a limited level in battle. Also, unlike other games, you can control the partner's movements in battle as a substitute for your own.
